

Dear Parent/Guardian,

This year we will be enrolling students online. We are excited about the opportunity to offer this service to our families. We feel it will be more convenient for you and expedite the enrollment process, as well as help with the accuracy of information.

There are two separate websites below. You will need to pick the one(s) that pertain to you and your situation.

If you are applying for free or reduced meals, there is an attachment included with this email that you will need to print and fill out. Fill out one per family.

Included in the online enrollment process is a section for fees. That will also need to be printed out by you. Fill out one for each child, add up what the total is and send in the form(s) and your payment to each respective building. The addresses are on the forms. Another option for the JSHS students is to log into your parents online account, navigate to "fees" and print the screen. This does NOT include the following optional/extra fees - HS yearbook (\$37), sports fees and towels for sports fee (\$25/sport).

All **currently enrolled** students - <https://www.ezschoolenroll.com/Login.aspx>

At the bottom of the pages is a "Register" button.

The next page asks if you have a student enrolled in the district. If the answer is yes, you will then be prompted to enter your email address. If you have an idea, go ahead and try it. If you're not sure, the next screen will let you fill out information on one of your students to see if the system can locate your address. If you continue to have problems, call the school.

When you get into the system you will hit the word "My Forms" in the blue box on the left-hand side. After completing a section, you will need to click on My Forms again until no more forms appear.

After completion of the online enrollment process school staff will review your information. If there are any corrections to be made, you will be notified via email of those corrections.

For **NEW students** (even if they have a sibling in the district), follow this link - <https://goo.gl/forms/8hkfRx4aI4gU6w122>

After this form has been completed, our staff will register your child with goedustar and then email you when the information is ready for you to complete using our online enrollment system.

We encourage you to complete all online enrollments **on or before Tuesday, August 15, 2017.**

School begins August 23rd. Buses will run and breakfast and lunch will be served. Times for breakfast at the Grade School are 7:30-8:15 and at the Jr/Sr High School from 7:30-8:10.
